SALTS IF KIDNEYS OR BLADDER BOTHER

Harmless To Flush Kidneys And Neutralize Irritating Acids—Splendid For System.

Kidney and bladder weakness result from uric acids, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.

Court House Notes

Huldah E. Coehene has been granted a divorce from Thomas E. Coehene. The decree was signed last Saturday.

In the matter of the case of C. Wolford against Arthur Beardsley, the plaintiff moves the court for an order dismissing the appeal for the reason that the defendant and appellant have failed to file an undertaking on appeal as required by the laws of Oregon regulating appearances in the circuit court.

The estate of W. T. Farrington has been appraised at \$745.00. This amount he had in bank. The appraisers were W. L. Cummings, Mrs. H. C. McCammon and Dr. R. Cartwright.

Marmach & Evans, whose lumber warehouse with contents were destroyed August 1, 1918, at Wacoona, have entered suit against the Royal Insurance company. In their complaint, they allege that they paid \$625.00 premium July 8, 1918, for \$25,000 insurance for one year. That on July 10, 1918, they paid the same amount for an additional \$25,000 insurance. That there was a total loss by fire August 1, 1918. That there was a clause in the insurance contract to the effect that in case of fire and there was a disagreement as to loss, that each side should select one adjuster and that the two selected should choose the third and that the award of any two of the adjusters should be final.

That the plaintiff selected Louis Lachmund and that the insurance company selected Frank M. Brown and that these two choose Otto Hansen. The plaintiffs further allege that Mr. Lachmund and Mr. Hansen, two of the three adjusters, agreed that the net loss by fire had been \$15,750.00 and this loss was fixed on August 23, 1918.

That there was a clause in the insurance contract that 60 days might elapse before any payment for loss be made. That this time had expired and the insurance company had not paid the loss as agreed on by the adjusters.

The plaintiff asks for \$15,750.00 damages and costs of suit. McNary, McNary & Keyes represent Marshall and Evans.
